## Using the Watch

### Navigating Between Modes

Each press of **C** cycles through the modes as shown below.

- You can also return directly to the Timekeeping Mode by holding down **C** for at least one second.
- In the Timekeeping Mode, press **D** to cycle through available displays to view the Tide level, Moon age, Moon phase, sunrise time, or sunset time. To return to the display you started from, press **A**.
- For details, refer to the Operation Guide at the CASIO website.

### Adjusting the Time Setting

#### Using a Phone to Configure Time Settings

For details visit the website below.

<https://world.casio.com/manual/wat/>

#### Using Watch Operations Only to Adjust the Time Setting

To ensure accurate timekeeping, use of a phone for time adjustment is recommended.

1. In the Timekeeping Mode, hold down **A** for at least two seconds.
2. Use **A** and **C** to select **[HOME TIME]**, and then press **B**.  
 • This displays the [CITY] and [DST] selection screen.
3. Use **A** and **C** to select **[CITY]**, and then press **B**.

4. Use **A** and **C** to select a city that is in the same time zone as the one where you are currently located, and then press **B**.  
 • This displays the [CITY] and [DST] selection screen.  
 • If you select UTC for the city setting, steps 5 and 6 are not required.
5. Use **A** and **C** to select **[DST]**, and then press **B**.
6. Use **A** and **C** to select the summer time setting you want, and then press **B**.  
 • This displays the [CITY] and [DST] selection screen.
7. Press **D**.
8. Use **A** and **C** to select **[TIME ADJUSTMENT]**, and then press **B**.

E-6

E-7

9. Use **A** and **C** to select **[MANUAL]**, and then press **B**.
10. Use **A** and **C** to select the hour digits, and then press **B**.
11. Repeat step 10 to set the minute, year, month, and day.  
 • This causes **[SAVE & EXIT?]** to appear.  
 • You can advance to step 12 by pressing **D** during step 10 or 11.
12. Use **A** and **C** to select **[YES]**, and then press **B**.  
 • This causes **[SETTING COMPLETED]** to appear.
13. Press **D** twice.  
 • This returns to the Timekeeping Mode.

### Training Function

You can use the Training Function of this watch to make your running and other workouts more efficient and enjoyable.  
 • Keep track of your distance and pace.

You can also use the G-SHOCK MOVE phone app for this watch to perform the types of training described below.  
 • Intuitive analysis of daily training  
 • Creation of personalized training plans in line with your goals

For information about installing the application, refer to the Operation Guide at the CASIO website.
