- Transfer Rates Up to 480Mbps With USB 2.0
- Easily add storage to any system with USB
- Supports up to 400GB drives
- Hot-swappable: Plug and play without rebooting!

PRODUCT DESCRIPTION

Adding additional storage to your computer has never been so easy. Whether you have run out of available IDE ports or simply want to give hot-swap plug and play capabilities to a hard drive, the Vantec IDE-USB Adapter does the job. By converting the IDE interface of hard drives to USB, the IDE-USB Adapter allows you to add a hard drive either inside or outside your system. The IDE-USB Adapter also utilizes USB 2.0, offering speeds up to 480Mbps, 40 times the speed of USB 1.1! But if you are using USB 1.1, the IDE-USB Adapter is still an ideal way to store and transfer large amounts of data.

SPECIFICATION

- Interface: 3.5" or 2.5" IDE to USB 2.0
- Length: 140cm (55in)
