Notifications

About the notification list

When a friend sends you a new message, friend request, group invitation, or event invitation, a notification appears in the notification list. Facebook® for BlackBerry® devices only notifies you of items for which you have turned on notifications in your Facebook® account.

View a notification

1. Click the **Notifications** icon at the top of the screen.
2. Click a notification.

Delete a notification

1. Highlight a notification.
2. Press the **Menu** key.
3. Click **Delete**.
4. Click **Yes**.

Prevent notifications from appearing in the messages application

1. Press the **Menu** key.
2. Click **Options**.
3. Clear the **BlackBerry messages application** check box.

I am not receiving notifications on my device

If you are not receiving notifications in Facebook® for BlackBerry® devices, or if you are not receiving all of the notifications that you expect, perform one or more of the following actions:

- Verify that you are logged in to Facebook for BlackBerry devices.
- Verify that you have updated the email address that receives Facebook® account notifications to an email address that is associated with your BlackBerry device.

- Verify that you have turned on all of the notifications in your Facebook account that you want to receive on your device.

Note: Notifications for third-party applications that you have added to your Facebook account might not appear in Facebook for BlackBerry devices.

Friends

About friends

Facebook® for BlackBerry® devices uses your existing friend list from your Facebook® account. You can add new friends to your friend list by sending friend requests to contacts.

View a friend's profile

1. Click the **Friends** icon at the top of the screen.
2. Click a friend.
3. Click **View <friend's> Profile**.

Invite a contact to become a friend

1. Click the **Add a Friend** icon at the top of the screen.
2. Perform one of the following actions:
 - If the contact is in the contacts application, type part of the contact name. Click the contact.
 - If the contact is not in the contacts application, type an email address.
3. Click **Invite**.

Accept or decline a friend request

1. On the Notification list screen, highlight the friend request.
2. Click the trackball.
3. Click **Confirm** or **Ignore**.

Synchronize your friends to the contacts in the contacts application

You can synchronize your friends' profile pictures, birthdays, and work information to existing contact information in the contacts application. Facebook® for BlackBerry devices periodically updates the caller ID pictures of your synchronized friends with their latest profile pictures.

1. Press the **Menu** key.
2. Click **Options**.
3. Select the **BlackBerry contacts application** check box.

Link a friend with a contact in the contacts application

When you link an individual friend with a contact in the contacts application, your friend's profile picture, birthday, and work information is added to the contacts application.

1. Press the **Menu** key.
2. Click **Friends**.
3. Click a friend.
4. Click **Connect to BlackBerry contact**.
5. Perform one of the following tasks:
 - If the friend already exists in the contacts application, click **Yes** or **Select Contact**. Click the contact.
 - If the friend does not already exist in the contacts application, click **Create new**.

To unlink a friend from a contact in the contacts application, press the **Menu** key. Click **Friends**. Click a friend. Click **Disconnect from BlackBerry contact**.

Refresh a linked friend

When you refresh a linked friend, the caller ID picture for that contact is updated with your friend's latest profile picture.

1. Press the **Menu** key.
2. Click **Friends**.
3. Click a friend.
4. Click **Refresh BlackBerry contact**.

Request a friend's phone number

When you request a friend's phone number, your friend receives the request in the requests section on their profile. If the friend responds to your request, the friend's phone number is added to your Facebook® phonebook.

1. Press the **Menu** key.
2. Click **Friends**.
3. Click a friend.
4. Click **Request phone number**.

Wall posts, messages, and pokes

Send a poke

1. Click the **Friends** icon at the top of the screen.
2. Click a friend.
3. Click **Poke** <friend>.
4. Click **Poke**.

Write on a friend's Wall

1. Click the **Write on a Wall** icon at the top of the screen.
2. Type part of a friend's name.
3. Click a friend.
4. Type a message.
5. Click **Post**.

Send a message

1. Click the **Send a Message** icon at the top of the screen.
2. Type part of a friend's name.
3. Click a friend.
4. Type a message.
5. Click **Send**.

Check spelling automatically

You can check spelling automatically in messages or wall posts that you create.

1. Press the **Menu** key.
2. Click **Options**.
3. Select the **Check spelling before sending** check box.

Groups and events

Accept or decline a group invitation

1. Click the group invitation.
2. Click **Confirm** or **Ignore**.

Respond to an event invitation

When you receive an event invitation, Facebook® for BlackBerry® devices automatically adds the event to the calendar application. Your availability appears as tentative until you respond to the event invitation.

1. Click the event invitation.
2. Perform one of the following actions:
 - To accept the event invitation, click **Yes**. Your availability for the event in the calendar application appears as busy.
 - To decline the event invitation, click **No**. The event is deleted from the calendar application.
 - To tentatively accept the event invitation, click **Maybe**. Your availability for the event in the calendar application appears as tentative.

Stop adding Facebook events to the calendar application

1. Press the **Menu** key.
2. Click **Options**.
3. Clear the **BlackBerry calendar application** check box.

Photos

Upload a photo

1. Click the **Upload a Photo** icon at the top of the screen.
2. Click a photo.
3. Perform any of the following actions:
 - Type a caption.
 - Change the album.
 - Click **Tag This Photo**.
4. Click **Upload**.

Create an album

1. Highlight a picture.
2. Press the **Menu** key.
3. Click **Send To Facebook**.
4. Change the **Album** field to **New**.
